

MEET THE TEACHER

ABOUT ME

My name is Miss Muse and I am excited to be your child's teacher on Thursdays and Fridays during Term 4. I'm looking forward to working together to make this a positive and successful remainder of the year for your child. I'm a believer in making learning engaging, hands-on, practical and relevant.

EXPERIENCE

I began my teaching journey as a School Support Officer, supporting students in a range of roles across schools within the Diocese of Wollongong.

A few years later, I transitioned into casual teaching, which allowed me to further strengthen my practice and deepen my passion for education. These experiences have shaped me as an educator, and I now feel privileged to be teaching Kinder Blue and supporting your child's learning journey.

INTERESTS

-  The outdoors
-  Fitness and sports
-  Spending time with family and friends
-  Baking and cooking
