

Week 3 Focus: Be safe and walk to the left & in silence on the stairs

At St Columbkille's we strive to continually support and improve academic and social outcomes for our students utilising the PB4L (Positive, Behaviours for Learning) framework. This week the PB4L focus is on being safe and walking to the left & in silence on the stairs where our school's core values *Respectful*, *Responsible* and *Safe* can be practised and observed.

Respectful 	• Stop, look and listen when a teacher speaks to you • Walk in silence through and around the building • Allow teachers/visitors to pass first
Responsible 	• Ask permission to move around the school • Walk slowly and without disturbing learning
Safe 	• Walk through hallways and on stairwells • Stay on your left • Allow teachers/visitors to pass first • Keep hands and feet to yourself
